# Technical Data Sheet

**Designation** IMPARTE HOSE REEL: 25MM NOZZLE CLIP

**Brand** IMPARTE/IMPARTEX **Ref. No.** AG02D

## General Description

The Imparte hose reel components and parts, including mechanical elements, structural parts and accessories, form the functional structure of the equipment and ensure its correct operational performance. They keep the hose reel in ideal operating condition, reducing the likelihood of faults and making preventive or corrective maintenance easier.
Using original components and parts ensures alignment with Imparte's specifications as manufacturer.
All components are produced from materials suited to the demands of firefighting systems and undergo control processes that ensure perfect compatibility and consistent operation.

## Features

- Nozzle holder made of ABS;
- Accessory with slot for fixing to the side plate of the hose reel;
- Inner dimension Ø 35mm;

## How to order

- Ref. AG02D_ Impartex 25mm nozzle clip;
