Designation STANDARD TRIPOD STAND FOR PORTABLE EXTINGUISHERS

Brand IMPARTEX / IMPARTE **Ref. No.** TR101; 102; 103

General Description

The tripod stand for extinguishers is designed to support the full weight of a fire extinguisher and is suitable for portable extinguisher models only.

Advantages of the tripod stand:

- Ideal where minimal impact on the building structure is required, in areas without vertical support capacity for the extinguisher or even in small spaces;
- Easy to identify and reach in the event of fire;
- Holds the extinguisher securely and keeps it stable, preventing it from falling;
- Protects the equipment against light impacts;
- Avoids direct contact with the floor, which could cause deterioration through corrosion due to floor moisture;
- Allows the extinguisher to be repositioned easily, while always respecting the provisions of the fire safety (SCIE) project.

Features

- Tripod stand for portable dry powder and carbon dioxide extinguishers up to a maximum of 12kg;
- Stand made of iron tube;
- 70µm thermosetting electrostatic powder coating, RAL 3001 "Red";
- Non-slip synthetic rubber base;
- Support hook included;
- Lightweight, low-maintenance structure;

Additional

- Made in 304 or 316 stainless steel;
- Painted in another RAL colour, provided it is approved in the project/by site supervision;
- Photoluminescent signage in accordance with 92/58/EEC not included;
- Extinguisher(s)/equipment not included;

How to order

- Ref. TR101_for P6 extinguisher;
- Ref. TR102_for 2 kg CO2 extinguisher;
- Ref. TR103_for 5kg CO2 extinguisher.
