Technical Data Sheet

Designation FRAME WITH DOOR 600x400MM, ELECTRO-GALVANISED, FOR FIRE SERVICES

Brand IMPARTE/IMPARTEX **Ref. No.** AR.P02

General Description

Imparte Frames and Doors: Standard and Custom Solutions

Imparte offers technical solutions in frames and doors for construction projects, technical installations and fire compartmentation.

- Standard: models in conventional sizes, ready to install, ideal for projects with tight deadlines.
- Customisation: made to measure, with a choice of dimensions, opening type, locking system and finishes.
- Materials: electro-galvanised sheet steel or stainless steel, resistant to humidity, corrosion and wear.
- Finishes: electrostatic painting or powder coating in any approved RAL colour.
- Extras: glass windows, photoluminescent signage, adhesive identification, Yale-type locks or quick-release latches.

This flexibility allows the technical elements to be integrated harmoniously into the architecture of the space, respecting aesthetic, functional and regulatory criteria and ensuring accessibility and safety in the surrounding space.

Features

- Frame and door in 1mm electro-galvanised sheet steel with 50mm flange;
- 70µm thermosetting electrostatic powder coating, RAL 3000 "Red";
- Yale-type or triangular lock;
- Solid door;
- Door with opening angle no less than 180°;
- Universal hinge system;
- Horizontal door;
- Dimensions 600x400mm;
- Flush/surface/projecting mounting;
- Recessed version;
- Low maintenance and durability;

Additional Products

- Made in 304 or 316 stainless steel;
- Imparte latch made of grey and red polyethylene, protected by a breakable acrylic seal for emergency opening;
- Painted in another RAL colour, provided it is approved in the project/by site supervision;
- Assembly and/or connection accessories not included, unless specified in the product features;

How to order

- Ref. AR.P02_Frame with door 600x400mm electro-galvanised.

For a custom product, please provide the following information:

- Exact dimensions of the installation niche
- Technical details relevant to the project;
- Specific site conditions or applicable regulatory requirements;

This information is essential to ensure the compatibility, functionality and quality of the solution supplied.

As an innovative company, IMPARTE S.A. reserves the right to change product specifications, models and standard equipment without prior notice and without incurring any obligation.
