Technical Data Sheet

Designation IMPARTE HOSE REEL: PP COVER FOR DRUM

Brand IMPARTE/IMPARTEX **Ref. No.** CRA07

General Description

The Imparte hose reel components and parts, including mechanical elements, structural parts and accessories, form the functional structure of the equipment and ensure its correct operational performance. They keep the hose reel in ideal operating condition, reducing the likelihood of faults and making preventive or corrective maintenance easier.
Using original components and parts ensures alignment with Imparte's specifications as manufacturer.
All components are produced from materials suited to the demands of firefighting systems and undergo control processes that ensure perfect compatibility and consistent operation.

Features

Snap-on cover for metal hose reel drum, made of PP;
Size Ø200mm;
Only available in black;
Imparte sticker with instructions and recommendations for use in Portuguese and English;

How to order

Ref. CRA07_PP cover for hose reel drum.
