Technical Data Sheet

Designation **FIRST AID KIT, METAL CABINET FOR 25 PEOPLE**

Brand **IMPARTE/IMPARTEX** **Ref. No.** **DV02 B**

General Description

The first aid kit is an essential item for any company that values the safety and well-being of its employees.
It allows immediate action in the event of minor accidents, ensuring basic care until a health professional arrives.
It meets the legal requirements for Occupational Health and Safety and gives confidence to everyone who uses the space.
Whether to treat a simple cut or respond to an unexpected situation, this kit provides clean, organised, ready-to-use supplies.
Compact, accessible and easy to identify, it should be kept in a visible place known to everyone.
Regular maintenance is essential to ensure that all components are within their expiry date and in perfect condition for use.

- Applications: ideal for companies, offices, warehouses, shops and any premises requiring a first aid kit that complies with safety standards.
- Legal compliance: first aid provisions in the workplace are required by Portuguese Law no. 102/2009 of 10 September, which establishes the legal framework for promoting occupational health and safety.
