Technical Data Sheet

Designation IMPARTE HOSE REEL: PP CROSS PIECE FOR HOSE REEL ARM

Brand IMPARTE/IMPARTEX **Ref. No.** DV31

General Description

The Imparte hose reel components and parts, including mechanical elements, structural parts and accessories, form the functional structure of the equipment and ensure its correct operational performance. They keep the hose reel in ideal operating condition, reducing the likelihood of faults and making preventive or corrective maintenance easier.
Using original components and parts ensures alignment with Imparte's specifications as manufacturer.
All components are produced from materials suited to the demands of firefighting systems and undergo control processes that ensure perfect compatibility and consistent operation.

Features

- Cross piece for hose reel arm;
  PP cross piece fitted to the hose reel swing arm; the arm takes two pieces (middle and lower);

How to order

- Ref. DV31_PP cross piece for hose reel arm.

As an innovative company, IMPARTE S.A. reserves the right to change product specifications, models and standard equipment without prior notice and without incurring any obligation.
